PLUG IN...KEY IN...AND ROCK YOUR MICRO!

Now you can make the music you want to hear. Whether a stylish performer or complete beginner, with **THE MUSIC SYSTEM** you can be a composer/studio engineer(and a rock star).

You don't need to spend thousands of pounds to make music with the latest high-tech equipment - **THE MUSIC SYSTEM** will turn your Commodore 64 into the heart of a **modern digital recording studio.**

SWITCH ON TO NEW SOUNDS.

* **Editor/Keyboard** Lay down your tracks and see the notes as they play. Edit and develop your music at will.

* **Synthesiser** Extends the range of sounds that can be produced and allows you to take complete control of the mix, changing both the sound and melody as the music is playing.

* Added Value - the Advanced Music System manual is enclosed (Upgrade offer included) in this box.
